The Laws of New Zealand

Trusts Reissue 2

The Laws of New Zealand title “Trusts” has been reissued in full and is available online. The second reissue of this core title in The Laws of New Zealand has been completely revised and updated by Dr Lindsay Breach. It offers a comprehensive and up-to-date statement of the law of trusts in New Zealand, both statutory and case law-based. The title not only presents the reader with general guidance on the history and background of trust law and insights on the classification of trusts, but also offers intrinsic and essential coverage of important topics ranging from the responsibilities, powers and rights of trustees, to the consequences of breaches of trust, the variation and termination of trusts, and more specialised, but no less important features of trust law in New Zealand, such as the role of the Public Trustee, and Trustee Corporations. Trusts Reissue 2 is an authoritative and essential guide to the principles of the law of trusts in New Zealand.

Taxation Reissue 1

Written by Emma Marr, the first reissue of this title, which had already been completely revised and updated online in relation to Revenue in Part I and Income Tax in Part II of the title, has now been updated to include new content in Part III of the title, offering essential guidance on Goods and Services Tax.

Service 101 (updated to 29 January 2021) is now available online.

Service 101 features significant updates to:

- the "State Sector" title as a result of the Public Service Act 2020, which (except for ss 90 and 133(1)) came into force on 7 August 2020;
- the "Receivers" title as a result of the Insolvency Practitioners Regulation (Amendments) Act 2019 and the Insolvency Practitioners Regulation Act 2019, the remainder of which came into force on 1 September 2020;
- the "Media and Communications" and “Information” titles as a result of the Privacy Act 2020, the remainder of which came into force on 1 December 2020; and
- the “Public Safety” and “Criminal Law” titles as a result of the remaining provisions of the Drug and Substance Checking Legislation Act 2020, which came into force on 7 December 2020, and of the provisions of the Arms Legislation Act 2020 that came into force on 24 December 2020.
