Land Law Reissue 2

The Laws of New Zealand title “Land Law” has been reissued in full and is available online. The second reissue of this title in The Laws of New Zealand has been completely revised and updated by Thomas Gibbons. The reissued title is an authoritative statement of law, both statutory and case law-based, of how property in land is regulated in New Zealand, and offers essential guidance on topics ranging from the origins of land law, estates and incumbrances, and registration of title in New Zealand, to rights, responsibilities, and restrictions relating to the use of land, with an overview of the legal regime governing unit titles. The title is providing a seamless exposition of how ownership arrangements, possession, transfer and other property rights and obligations are regulated by the fundamental principles that underpin the ownership of land in New Zealand.
